CLEAR

CAPITAL MANAGEMENT LLP

CLASSIC PASSIVE
ADVENTUROUS PLUS PORTFOLIO
Fact Sheet: December 2018

OBJECTIVE:

High growth, full exposure to equities and other higher risk asset classes. Investors should have a very high tolerance for risk and a commensurate capacity for short to medium term loss, in addition to a long term investment horizon.

INVESTMENT OBJECTIVES:

- Allocation to passive instruments
- Targeting long term returns above sector average
- Using a varying blend of all asset classes to take advantage of marketing mispricing and economic fundamentals

PORTFOLIO MANAGEMENT TEAM:

Clear Capital Management LLP

Your capital is at risk. The value of investments and the income from them can go down as well as up, and you may not get back the amount originally invested.
